

**Emerald Chapter, NPSO, Rare and Endangered Vascular Plant List
Lane Co., Oregon – April 2012**

Scientific Name Common Name	Threat/Comment	Federal Status	State Status	ORBIC List	EmChap List	Ecoregion
<i>Abronia latifolia</i> Eschsch. yellow sandverbena	European beachgrass competition; ORV activity			4	B	CZ
<i>Abronia umbellata</i> Lam. ssp. <i>breviflora</i> (Standl.) Munz pink sandverbena	Sensitive habitat; last reported in the 1970s	SOC	LE	1	A	CZ
<i>Ageratina occidentalis</i> (Hook.) R.M. King & H. Rob. western eupatorium; western boneset	Rare in Lane Co.				C	WC
<i>Agrostis densiflora</i> Vasey coastal bluff bentgrass; California bentgrass	Known from one historic site in Lane Co.				C	CZ
<i>Amelanchier alnifolia</i> (Nutt.) Nutt. ex M. Roem. var. <i>alnifolia</i> Saskatoon serviceberry	Var. <i>alnifolia</i> from east of Cascades; one historic collection in Lane Co. from barely over the crest; need to relocate; taxonomic questions about varieties				C	WC
<i>Apocynum cannabinum</i> L. var. <i>glaberrimum</i> A. DC. hemp dogbane	Infrequently seen in Lane Co.; in protected and unprotected sites near agriculture				B	WV
<i>Apocynum sibiricum</i> Jacq. var. <i>salignum</i> (Greene) Fernald clasping leaved dogbane	Road and RR maintenance				B	WV
<i>Aristida oligantha</i> Michx. prairie threeawn; few flowered aristida	Sensitive habitat; park and wetland management; exotic invasives encroachment				B	WV
<i>Arnica nevadensis</i> A. Gray Sierra arnica	Rare; no known threats				C	WC, HC
<i>Artemisia tridentata</i> Nutt. ssp. <i>vaseyana</i> (Rydb.) Beetle mountain big sagebrush	Last seen 40 years ago from one Lane Co. location; need to relocate				C	WC
<i>Asarum marmoratum</i> Piper marbled wild ginger	Known from only one historic record				C	WC
<i>Asarum wagneri</i> K.L. Lu & Mesler green flowered wild ginger	Four Lane Co. sites; forest management		C	4	A	WC
<i>Asclepias cordifolia</i> (Benth.) Jeps. purple milkweed	Forest succession; shade encroachment				B	WC
<i>Asclepias fascicularis</i> Duchesne narrowleaf milkweed	Loss of habitat; land use				B	WV
<i>Asplenium trichomanes</i> L. ssp. <i>trichomanes</i> maidenhair spleenwort	Rare in Lane Co.				C	CR, WC

Scientific Name Common Name	Threat/Comment	Federal Status	State Status	ORBIC List	EmChap List	Ecoregion
<i>Astragalus purshii</i> Douglas ex Hook. var. <i>lagopinus</i> (Rydb.) Barneby Pursh's milkvetch	Known from only one historic record in Lane Co.; an east of Cascades species, barely coming over the crest				C	WC
<i>Astragalus umbraticus</i> E. Sheld. woodland milkvetch	Populations have declined because of fire suppression; woody plant and shade encroachment			4	C	WC
<i>Athyrium alpestre</i> (Hoppe) Clairv. var. <i>americanum</i> Butters American alpine lady fern	Rare high elevation species				C	HC
<i>Atriplex dioica</i> Raf. thick leaf orach	Known from one historic collection in Lane Co.				C	CZ
<i>Atriplex gmelinii</i> C.A. Mey. ex Bong. var. <i>gmelinii</i> obtuse leaf saltbush	Only two historic collections in Oregon; one in Lane Co.; need to relocate			2	A	CZ
<i>Azolla mexicana</i> C. Presl mosquito fern	Expected to occur in Lane Co., but no documentation. Need an electron microscope for positive ID; OFP Atlas shows several observations in Lane Co., but no verified voucher				C	WV
<i>Balsamorhiza deltoidea</i> Nutt. deltoid balsamroot	Woody encroachment in meadows and invasion by exotics				C	CR, WV, WC
<i>Blepharipappus scaber</i> Hook. rough eyelash; blepharipappus	Known from one historic record in Lane Co.				C	WV
<i>Boechera howellii</i> (S. Watson) Windham & Al- Shehbaz (= <i>Arabis platysperma</i> A. Gray var. <i>howellii</i> (S. Watson) Jeps. in part) Howell's flatseed rockcress	Rare high elevation species in Lane Co.; no threats				C	WC, HC
<i>Botrychium minganense</i> Vict. gray moonwort	Expected to occur in Lane Co., but no county record; occurs nearby in Linn Co.			4	C	WC
<i>Botrychium simplex</i> E. Hitchc. little grapefern	Woody species encroachment				C	WC, HC
<i>Boykinia intermedia</i> (Piper) G.N. Jones (= <i>Boykinia major</i> A. Gray var. <i>intermedia</i> Piper) pyramidal boykinia	Two sites in Lane Co.; need to find more sites				C	CR
<i>Bromus pacificus</i> Shear Pacific brome	Several observed sites in Lane Co.; need documentation				C	CZ, CR, WV, HC
<i>Cacaliopsis nardosmia</i> (A. Gray) A. Gray ssp. <i>glabrata</i> (Piper) Piper silvercrown luina	Expected to occur in Lane Co. ; known from counties north and south				C	WV
<i>Callitriche hermaphroditica</i> L. northern water starwort	Recently found in coastal lakes			3	C	CZ
<i>Calochortus uniflorus</i> Hook. & Arn. large flowered startulip	Loss of habitat; wetland management				B	WV
<i>Calycadenia truncata</i> DC. rosin weed; tackweed	Disjunct populations; ORV disturbance; invasives competition; agency management				B	WV
<i>Calystegia soldanella</i> (L.) R. Br. seashore morning glory	European beach grass invasion; human use area				B	CZ

Scientific Name Common Name	Threat/Comment	Federal Status	State Status	ORBIC List	EmChap List	Ecoregion
<i>Campanula rotundifolia</i> L. Scots harebell	Two sites in Lane Co, helicopter landing; trail maintenance; agency management				B	WC
<i>Carex abrupta</i> Mack. abrupt beaked sedge	One historic site in Lane Co.			4	C	WC
<i>Carex angustata</i> Boott Wide fruited sedge	Few sites in Lane Co.; need more information				C	WC
<i>Carex aperta</i> Boott Columbia sedge	Few sites in Lane Co.; need more information				C	WC, HC
<i>Carex athrostachya</i> Olney slenderbeak sedge	More information needed to determine status				C	WV, WC
<i>Carex brainerdii</i> Mack. Brainerd's sedge	One site in Lane Co.				C	WC
<i>Carex brevicaulis</i> Mack. short stemmed sedge	Expected to occur in Lane Co., but no county record			2	C	CZ
<i>Carex buxbaumii</i> Wahlenb. Buxbaum's sedge	Uncommon; sensitive habitat; woody plant invasion in wet meadows				C	WC
<i>Carex californica</i> L.H. Bailey California sedge	Rare in Lane Co.; woody encroachment				C	CR
<i>Carex canescens</i> L. ssp. <i>canescens</i> hoary sedge	More information needed to determine status				C	WC
<i>Carex concinnoides</i> Mack. northwestern sedge	Northern end of range				C	WC
<i>Carex deflexa</i> Hornem. var. <i>boottii</i> L.H. Bailey (= <i>Carex brevipes</i> W. Boott) mountain sedge	Known only from historic records; to be expected at higher elevations as a look-alike of <i>C. rossii</i>				C	HC
<i>Carex diandra</i> Schrank lesser paniced sedge	Rare; only two populations in Lane Co.; wilderness meadows			2	A	WC
<i>Carex disperma</i> Dewey soft leaved sedge	Rare in Lane Co.; scattered in Cascades and NE Oregon Mountains				C	WC
<i>Carex echinata</i> Murray ssp. <i>phyllomanica</i> (W. Boott.) Reznicek prickly sedge	Habitat loss; wetland management				B	CZ
<i>Carex gynodynamis</i> Olney Olney's hairy sedge; wonderwoman sedge	Roadside vegetation management and forest management with high impacts to soil			4	B	WC
<i>Carex hassei</i> L.H. Bailey false golden sedge	Industrial park redevelopment; forest succession				B	CR, WV
<i>Carex illota</i> L.H. Bailey small headed sedge	Uncommon in montane wet meadows				C	WC, HC
<i>Carex infirmivervia</i> Naczi (= <i>Carex bolanderi</i> Olney ssp. <i>infirmivervia</i> Naczi) weak-veined sedge	Three sites in Lane Co.; need more sites			3	C	WC
<i>Carex integra</i> Mack. smooth beaked sedge	Trampling disturbance; woody species encroachment				C	WC, HC
<i>Carex interior</i> L.H. Bailey inland sedge	Known from one historic site in Lane Co.				C	WC

Scientific Name Common Name	Threat/Comment	Federal Status	State Status	ORBIC List	EmChap List	Ecoregion
<i>Carex lenticularis</i> Michx. var. <i>limnophila</i> (T. Holm) Cronquist lakeshore sedge	Urban development; woody plant encroachment of coastal wetlands				B	CZ
<i>Carex leporinella</i> Mack. Sierra hare sedge	More information needed to determine status				C	WC, HC
<i>Carex livida</i> (Wahlenb.) Willd. pale sedge	One site in Lane Co.; woody succession; changes in hydrology			2	A	WC
<i>Carex macrocephala</i> Willd. ex Spreng. large headed sedge	Sensitive habitat; known only from historic records			2	A	CZ
<i>Carex mendocinensis</i> Olney Mendocino sedge	Conifer encroachment; roadside vegetation management				B	WC
<i>Carex multicaulis</i> L.H. Bailey many stemmed sedge	Rare; two sites in Lane Co.; easily overlooked; north end of range				C	WC
<i>Carex multicostata</i> Mack. many ribbed sedge	More information needed to determine status				C	WC
<i>Carex nebrascensis</i> Dewey Nebraska sedge	Rare in Lane Co.; seen more frequently east of Cascades; susceptible to woody plant succession				C	WC
<i>Carex pansa</i> L.H. Bailey sand dune sedge	Park management; coastal erosion				B	CZ
<i>Carex phaeocephala</i> Piper mountain hare sedge	More information needed to determine status				C	WC, HC
<i>Carex praticola</i> Rydb. meadow sedge	Woody species encroachment				C	WC
<i>Carex preslii</i> Steud. Presl's sedge	Uncommon high elevation species; no threats				C	WC, HC
<i>Carex raynoldsii</i> Dewey Raynold's sedge	Widely scattered and rare, but easy to ID; monitor for woody succession				C	WC
<i>Carex retrorsa</i> Schwein. retrorse sedge	Road and wetland maintenance; UO athletic facility expansion; reed canary grass invasion			2	A	WV
<i>Carex scirpoidea</i> Michx. ssp. <i>stenochlaena</i> (T. Holm) A. Löve & D. Löve Alaska single spiked sedge	Roadside management; two sites in Lane Co.			2	A	WC
<i>Carex simulata</i> Mack. shortbeaked sedge	Rare in Lane Co.; more frequently seen east of Cascades				C	HC
<i>Carex stramineiformis</i> L.H. Bailey Mt. Shasta sedge	Rare in Lane Co.; high elevation species; no threats				C	HC
<i>Carex subfusca</i> W. Boott rusty sedge	More information needed to determine status				C	WC
<i>Carex vesicaria</i> L. inflated sedge	Rare in Lane Co.; high elevation species; more frequently seen east of Cascades				C	HC
<i>Carex viridula</i> Michx. ssp. <i>viridula</i> green sedge	Rare in Lane Co.; urban development; woody plant succession				B	CZ

Scientific Name Common Name	Threat/Comment	Federal Status	State Status	ORBIC List	EmChap List	Ecoregion
<i>Castilleja rupicola</i> Piper cliff paintbrush	Recent exploration has revealed more sites to the south than previously known	SOC		4	A	WC, HC
<i>Ceanothus prostratus</i> Benth. var. <i>prostratus</i> Mahala mat	Rare in Lane Co.; known from three sites				C	WC
<i>Ceratophyllum echinatum</i> A. Gray hornwort	Known from one historic site in Oregon; presumed extinct			2-ex	A-ex	CZ
<i>Cicendia quadrangularis</i> (Lam.) Griseb. timwort	Sensitive habitat			2	A	WV, WC
<i>Cimicifuga elata</i> Nutt. tall bugbane	Logging practices; agency management; nomenclature debate – waiting for OFP taxonomic decision		C	4	A	CR, WV, WC
<i>Clarkia purpurea</i> (Curtis) A. Nelson & J.F. Macbr. ssp. <i>viminea</i> (Douglas ex Hook.) F.H. Lewis & M.R. Lewis large godetia	Willamette Valley conservation target plant; woody and invasive species encroachment; grazing on private sites				B	WV
<i>Claytonia washingtoniana</i> (Suksd.) Suksd. Washington miner's lettuce	Expected to occur in Lane Co., but no county record				C	CZ, CR
<i>Collomia larsenii</i> (A. Gray) Payson talus collomia	Rare high elevation species; no threats			4	C	HC
<i>Collomia linearis</i> Nutt. narrowleaf collomia	Few sites in Lane Co. Need more locations				C	WC
<i>Collomia tinctoria</i> Kellogg yellow staining collomia	Few sites in Lane Co. Need more locations				C	WC, HC
<i>Conioselinum pacificum</i> (S. Watson) J.M. Coult. & Rose Pacific hemlock parsley	Few sites in Lane Co.				C	CZ
<i>Corallorhiza striata</i> Lindl. var. <i>vreelandii</i> (Rydb.) L.O. Williams Vreeland's coralroot	Known from one historic record in Lane Co.; searched but so far not relocated				C	WC
<i>Corallorhiza trifida</i> Châtel. northern coralroot	Two historic collections from Lane Co.; recently found in Linn Co.				C	WC, HC
<i>Cordylanthus ramosus</i> Nutt. ex Benth bushy birdbeak	Three adjacent sites in Lane Co.; seen more frequently east of the Cascades				C	WC
<i>Cordylanthus tenuis</i> A. Gray ssp. <i>viscidus</i> (Howell) T.I. Chuang & Heckard sticky birdbeak	Only two sites in Lane Co.; need more sites				C	WC
<i>Corydalis aqua-gelidae</i> M. Peck & W.C. Wilson cold water corydalis	Forest management; one site in Lane Co.	SOC	C	1	A	WC
<i>Crassula aquatica</i> (L.) P. Schoenl. water pygmy weed	Loss of habitat; urban development; one site in Lane Co.; need more sites				B	WV
<i>Crepis pleurocarpa</i> A. Gray naked stemmed hawksbeard	Few sites in Lane Co.; need to find more				C	WC
<i>Cryptantha torreyana</i> (A. Gray) Greene Torrey's cryptantha	One site in Lane Co.; need more sites; roadside maintenance				B	WC
<i>Cyperus bipartitus</i> Torr. shining flatsedge	Reservoir management; recreational activity			3	B	WV

Scientific Name Common Name	Threat/Comment	Federal Status	State Status	ORBIC List	EmChap List	Ecoregion
<i>Cypripedium montanum</i> Douglas ex Lindl. mountain lady's slipper	Loss of habitat; genetic isolation; overshading by conifers			4	B	WV, WC
<i>Danthonia spicata</i> (L.) P. Beauv. ex Roem. & Schult. common wild oatgrass	Roadside maintenance				B	WC
<i>Darlingtonia californica</i> Torr. California pitcher plant; cobra lily	Loss of habitat; commercial exploitation; park management			4	B	CZ
<i>Darmera peltata</i> (Torr.) Voss umbrella plant	Expected to occur in Lane Co., but no county record; records from north and south of Lane Co.				C	CR
<i>Delphinium glaucum</i> S. Watson mountain larkspur	Expected to occur in Lane Co., but no county record				C	WC
<i>Delphinium oregonum</i> Howell Willamette Valley larkspur	Agency management; taxonomic study needed on Lane Co. populations	SOC	C	1	A	WV
<i>Delphinium pavonaceum</i> Ewan peacock larkspur	Known from only one historic record	SOC	LE	1	A	WV
<i>Dichelostemma capitatum</i> (Benth.) A.W. Wood ssp. <i>capitatum</i> blue dicks	Known only from historic records; need to relocate				C	WV, WC
<i>Dodecatheon pulchellum</i> (Raf.) Merr. ssp. <i>macrocarpum</i> (A. Gray) Roy L. Taylor & MacBryde beautiful shooting star	Habitat loss; West Eugene wetland management; recent reports from Western Cascade sites need verification				B	WV
<i>Douglasia laevigata</i> A. Gray smooth leaved douglasia	Rare; one site in Lane Co.				B	WC
<i>Draba aureola</i> S. Watson golden draba	Rare high elevation species; no known threats			4	C	HC
<i>Drosera anglica</i> Huds. English sundew	Few sites in Lane Co.; currently no threats				C	WC
<i>Eleocharis suksdorfiana</i> Beauverd (= <i>Eleocharis</i> <i>quinqueflora</i> (Hartmann) Sw. misapplied) beaked spikerush	Three sites in Lane Co.; need more sites; taxonomic review because of some confusion				C	WC
<i>Elmera racemosa</i> (S. Watson) Rydb. var. <i>racemosa</i> elmera	Rare high elevation species; no known threats			4	C	HC
<i>Elodea nuttallii</i> (Planch.) H. St. John Nuttall's waterweed	Known only from historic records			3	C	WV
<i>Empetrum nigrum</i> L. black crowberry	Sensitive habitat				B	CZ
<i>Enemion stipitatum</i> (A. Gray) J.R. Drumm. & Hutch. dwarf rue-anemone; dwarf isopyrum	Park management; weedy species competition			4	B	WV
<i>Epilobium clavatum</i> Trel. club fruited willowherb	Rare; no known threats				C	WC, HC
<i>Epilobium lactiflorum</i> Hausskn. white flowered willowherb	Rare; no known threats; if found needs taxonomic determination				C	WC, HC

Scientific Name Common Name	Threat/Comment	Federal Status	State Status	ORBIC List	EmChap List	Ecoregion
<i>Epilobium luteum</i> Pursh yellow willowherb	Few sites in Lane Co; forest management; roadside maintenance			4	C	WC
<i>Epilobium palustre</i> L. swamp willowherb	Expected to occur in Lane Co.; look for it				C	CZ, WC
<i>Epilobium torreyi</i> (S. Watson) Hoch & P.H. Raven Torrey's willowherb	Habitat loss; Willamette Valley conservation target plant				C	WV
<i>Equisetum fluviatile</i> L. water horsetail	Water weed competition				B	CZ, WC
<i>Eremocarpus setigerus</i> (Hook.) Benth. turkey mullein	Habitat loss; encroachment by exotic invasives; Willamette Valley conservation target plant				C	WV
<i>Ericameria bloomeri</i> (A. Gray) J.F. Macbr. rabbitbrush goldenweed	An eastside species, but comes over the crest into Lane Co.				C	WC, HC
<i>Ericameria greenei</i> (A. Gray) G.L. Nesom Greene's goldenweed	Infrequent; need more sites and documentation				C	WC, HC
<i>Ericameria nauseosa</i> (Pall. ex Pursh) G.L. Nesom & G.I. Baird var. <i>speciosa</i> (Nutt.) G.L. Nesom & G.I. Baird rabbitbrush	Need more information about security of sites				C	WC
<i>Erigeron compositus</i> Pursh var. <i>compositus</i> cutleaf daisy	Known from Linn Co. ½ mi. north of Lane Co., but no current record in Lane Co.; look for it				C	WC
<i>Erigeron compositus</i> Pursh var. <i>glabratus</i> Macoun cutleaf daisy	Secure at high elevations; threatened by forest management decisions at lower elevations				B	WC, HC
<i>Erigeron decumbens</i> Nutt. Willamette Valley daisy	Loss of habitat, urban development	LE	LE	1	A	WV
<i>Erigeron speciosus</i> (Lindl.) DC. showy daisy	Loss of habitat; exotic species encroachment; over shading; Willamette Valley conservation target plant				B	WV, WC
<i>Eriophorum angustifolium</i> Honck. ssp. <i>angustifolium</i> many spiked cottongrass	Expected to occur in Lane Co., but no county record			4	C	WC
<i>Eriophorum chamissonis</i> C.A. Mey. russet cottongrass	Loss of habitat; golf course and urban development			2	A	CZ
<i>Erythronium klamathense</i> Applegate Klamath fawnlily	Known from one historic observation; need to relocate				C	WC
<i>Erythronium revolutum</i> Sm. coast fawnlily	Logging; trailside trampling			4	B	CZ, CR
<i>Eucephalus vialis</i> Bradshaw (= <i>Aster vialis</i> (Bradshaw) S.F. Blake) wayside aster	Urban growth; forest management	SOC	LT	1	A	WV
<i>Euonymus occidentalis</i> Nutt. ex Torr. var. <i>occidentalis</i> western wahoo	Forest management ; one site in Lane Co.				B	CR, WC
<i>Euthamia occidentalis</i> Nutt. (= <i>Solidago occidentalis</i> (Nutt.) Torr. & A. Gray) western goldenrod	Flooding; land management				B	WV

Scientific Name Common Name	Threat/Comment	Federal Status	State Status	ORBIC List	EmChap List	Ecoregion
<i>Festuca rubra</i> L. ssp. <i>mediana</i> (Pavlick) Pavlick dune red fescue	Rare in Oregon; one site in Lane Co.				C	CZ
<i>Frasera umpquaensis</i> M. Peck & Applegate Umpqua frasera	Agency management		C	1	A	WC
<i>Fritillaria atropurpurea</i> Nutt. purple fritillary	Known from only one site in Lane Co.				C	WC
<i>Fritillaria glauca</i> Greene Siskiyou fritillary	Known from only one site in Lane Co.			4	C	WC
<i>Gentiana newberryi</i> A. Gray var. <i>newberryi</i> Newberry's gentian	North end of range; disjunct populations			2	A	WC
<i>Gentianopsis simplex</i> (A. Gray) H.H. Iltis one flowered gentian	Sensitive habitat; few sites in Lane Co.				C	WC
<i>Geranium bicknellii</i> Britton Bicknell's geranium	Meadow succession				B	WV, WC
<i>Geranium richardsonii</i> Fisch. & Trautv. Richardson's geranium	Forest management				B	WC
<i>Gilia millefoliata</i> Fisch. & C.A. Mey. seaside gilia	Expected to occur in Lane Co., but no county record	SOC		1	C	CZ
<i>Glehnia littoralis</i> (A. Gray) F. Schmidt ex Miq. ssp. <i>leiocarpa</i> (Mathias) Hultén beach silvertop	European beach grass enchroachment; dunes management				B	CZ
<i>Glyceria leptostachya</i> Buckley slenderspike mannagrass	Two observations, need documentation; Willamette Valley conservation target plant				C	WV, WC
<i>Gnaphalium californicum</i> DC. California cudweed	Two historic records and one recent record; weed competition; railroad maintenance			3	B	CZ
<i>Heterotheca oregona</i> (Nutt.) Shinners Oregon goldenaster	Hydrologic changes; exotic species competition; Willamette Valley conservation target plant				B	WV
<i>Heuchera glabra</i> Willd. smooth alumroot	Rare in Lane Co.; need more sites				C	WC, HC
<i>Heuchera micrantha</i> Douglas ex Lindl. var. <i>diversifolia</i> (Rydb.) Rosend., Butters & Lakela Pacific alumroot	Known only from historic records				C	CR, WC
<i>Hieracium bolanderi</i> A. Gray Bolander's hawkweed	Recently documented in Lane Co.; need more sites				C	HC
<i>Hieracium greenei</i> A. Gray Greene's hawkweed	One site in Lane Co.; documentation needed			3	C	WC
<i>Hieracium horridum</i> Fr. shaggy hawkweed	Known from one historic record			2	A	HC
<i>Hieracium parryi</i> Zahn Parry's hawkweed	Need more information				C	WV
<i>Hierochloë odorata</i> (L.) P. Beauv. holy grass, vanilla grass	Timber harvest management; need documentation			4	C	WC

Scientific Name Common Name	Threat/Comment	Federal Status	State Status	ORBIC List	EmChap List	Ecoregion
<i>Honckenya peploides</i> (L.) Ehrh. var. <i>major</i> (Hook.) Abrams sea purslane	ORV use, European beachgrass invasion				B	CZ
<i>Horkelia congesta</i> Douglas ex Hook. ssp. <i>congesta</i> shaggy horkelia	Habitat loss; wetland management	SOC	C	1	A	WV
<i>Horkelia fusca</i> Lindl. ssp. <i>filicoides</i> (Crum) D.D. Keck dusky horkelia	One site in Lane Co.; need documentation				C	WC
<i>Howellia aquatilis</i> A. Gray Howellia	Expected to occur in Lane Co., but no county record	LT	LT	1	C	WV
<i>Hydrocotyle verticillata</i> Thurnb. whorled marsh pennywort	Expected to occur in Lane Co., but no county record.			2	C	CZ
<i>Idahoia scapigera</i> (Hook.) A. Nelson & J.F. Macbr. flatpod	Recently relocated in Lane Co.; need more sites; Willamette Valley conservation target plant				C	WV
<i>Ipomopsis congesta</i> (Hook.) V.E. Grant ssp. <i>montana</i> (A. Nelson & P.B. Kenn.) V.E. Grant mountain ballhead gilia	Rare high elevation species; no threats				C	HC
<i>Isoetes howellii</i> Engelm. Howell's quillwort	One site in Lane Co.; need more information; review taxonomy				C	CZ
<i>Isoetes occidentalis</i> L.F. Hend. western quillwort	One site in Lane Co.; need more information				C	CZ
<i>Juncus hemiendytus</i> F.J. Herm. var. <i>hemiendytus</i> dwarf rush	Agency land use decisions; Willamette Valley conservation target plant			3	B	WV
<i>Juncus kelloggii</i> Engelm. Kellogg's dwarf rush	Expected to occur in Lane Co., but no county record			3	C	WC
<i>Juncus supiniiformis</i> Engelm. hairleaved rush	Loss of habitat; urban growth				B	CZ
<i>Kyhosia bolanderi</i> (A. Gray) B.G. Baldwin Bolander's tarweed	Additional sites located; status under review				C	WC
<i>Lagophylla ramosissima</i> Nutt. slender hairleaf	Powerline management; Willamette Valley conservation target plant				B	WV
<i>Lasthenia glaberrima</i> DC. smooth goldfields	Loss of habitat; wetland management; Willamette Valley conservation target plant				B	WV
<i>Lasthenia maritima</i> (A. Gray) M.C. Vasey maritime goldfields	European beachgrass invasion; park management				B	CZ
<i>Lathyrus holochlorus</i> (Piper) C.L. Hitchc. thin leaved peavine	Habitat loss; road maintenance	SOC		1	A	WV, WC
<i>Lathyrus lanszwertii</i> Kellogg var. <i>aridus</i> (Piper) Jeps. Nevada peavine	Two sites in Lane Co.; seen more frequently east of the Cascades				C	WC
<i>Lathyrus palustris</i> L. marsh pea	Private property land use; sensitive habitat				B	CZ

Scientific Name Common Name	Threat/Comment	Federal Status	State Status	ORBIC List	EmChap List	Ecoregion
<i>Lathyrus tracyi</i> Bradshaw (= <i>Lathyrus lanszwertii</i> Kellogg var. <i>tracyi</i> (Bradshaw) Isley Tracy's peavine	Expected to occur in Lane Co., need to collect white-flowered peas for determination			4	C	WC
<i>Lathyrus vestitus</i> Nutt. var. <i>ochropetalus</i> (Piper) Isely Pacific pea	Road maintenance				B	WV, WC
<i>Lepidium nitidum</i> Nutt. ex Torr. & A. Gray var. <i>nitidum</i> shining peppergrass	Willamette Valley conservation target plant				C	WV
<i>Leptarrhena pyrolifolia</i> (D. Don) R. Br. ex Ser. false saxifrage	Known from one historic site				C	HC
<i>Leptosiphon ciliatus</i> (Benth.) Jeps. (= <i>Linanthus ciliatus</i> (Benth.) Greene) whiskerbrush	Woody species succession in meadows; need documentation				C	WC
<i>Leptosiphon nuttallii</i> (A. Gray) J.M. Porter & L.A. Johnson ssp. <i>nuttallii</i> (= <i>Linanthus nuttallii</i> (A. Gray) Milliken ssp. <i>nuttallii</i>) Nuttall's linanthus	Two adjacent sites in Lane Co., no threats				C	WC
<i>Leucophysalis nana</i> (A. Gray) Averett dwarf chamaesaracha	Known from one historic collection; may be extirpated				C	WV
<i>Lewisia columbiana</i> (Howell ex A. Gray) B.L. Rob. var. <i>columbiana</i> Columbia lewisia	Genetic isolation; disjunct population			2	A	WC
<i>Lewisia nevadensis</i> (A. Gray) B.L. Rob. Nevada lewisia	Known from one historic site; may be extirpated				C	WC
<i>Lewisia pygmaea</i> (A. Gray) B.L. Rob. dwarf lewisia	Rare in Lane Co.; no threats				C	WC, HC
<i>Lilaea scilloides</i> (Poir.) Hauman flowering quillwort	Two sites in Lane Co.; need more sites			4	C	CZ
<i>Lilium pardalinum</i> Kellogg ssp. <i>pardalinum</i> leopard lily	Uncommon; north end of range; threatened by ORVs, herbivory, road maintenance				B	WC
<i>Lilium rubescens</i> S. Watson redwood lily	Known from one historic record				C	WC
<i>Limonium californicum</i> (Boiss.) A. Heller western marsh rosemary	Expected to occur in Lane Co., but no county record			2	C	CZ
<i>Lithophragma tenellum</i> Nutt. slender woodland star	Willamette Valley conservation target plant				C	WV
<i>Lomatium bradshawii</i> (Rose) Mathias & Constance Bradshaw's lomatium; Bradshaw's desert parsley	Habitat loss; wetland management	LE	LE	1	A	WV
<i>Lomatium macrocarpum</i> (Nutt. ex Torr. & A. Gray) J.M. Coult. & Rose large fruited lomatium	Park management; trampling; invasive species encroachment				B	WV
<i>Lonicera utahensis</i> S. Watson Utah honeysuckle	Rare in Lane Co.; no threats				C	WC

Scientific Name Common Name	Threat/Comment	Federal Status	State Status	ORBIC List	EmChap List	Ecoregion
<i>Lotus denticulatus</i> (Drew) Greene meadow lotus	Few sites in Lane Co.; look for more				C	WV, WC
<i>Lotus humistratus</i> Greene hill lotus	Known from one historic site; may be extirpated				C	WV
<i>Lupinus affinis</i> J. Agardh fleshy lupine	Loss of habitat; Willamette Valley conservation target plant				B	WV
<i>Lupinus bicolor</i> Lindl. bicolored lupine	Expected to occur in Lane Co., many observatons, but no confirmed documentation in OSU Herbarium				C	WV
<i>Lupinus lepidus</i> Douglas ex Lindl. var. <i>lepidus</i> Pacific lupine	Rare in the Willamette Valley; agency management				B	CR, WV
<i>Lupinus lepidus</i> Douglas ex Lindl. var. <i>sellulus</i> (Kellogg) Barneby dwarf lupine	An east of the Cascades species; one historic site in Lane Co; need to relocate				C	WC
<i>Lupinus oregonus</i> A. Heller (= <i>Lupinus sulphureus</i> Douglas ex Hook. ssp. <i>kincaidii</i> (C.P. Sm.) L.Ll. Phillips Oregon lupine; Kincaid's lupine	Habitat loss; larval food plant for rare butterfly	LT	:LT	1	A	WV
<i>Lupinus sericeus</i> Pursh silky lupine	Two Lane Co. sites; need documentation				C	WC, HC
<i>Lycopodiella inundata</i> (L.) Holub bog clubmoss	Sensitive habitat; equestrian and ORV use; reservoir management			2	A	CZ, CR, WC
<i>Lycopodium annotinum</i> L. stiff clubmoss	Known from one historic record			4	C	HC
<i>Marsilea vestita</i> Hook. & Grev. hair waterclove	Agency management; hydrologic routine; Willamette Valley conservation target plant			3	B	WV
<i>Micranthes nelsoniana</i> (D. Don) Small var. <i>cascadensis</i> (Calder & Saville) Gornall & Ohba) (= <i>Saxifraga nelsoniana</i> D. Don ssp. <i>cascadensis</i> (Calder & Savile) Hultén) dotted saxifrage	Recently found in Lane Co.; need documentation				C	WC, HC
<i>Micropus californicus</i> Fisch. & C.A. Mey. var. <i>californicus</i> slender cottonweed	Known from two historic collections				C	WV
<i>Microseris bigelovii</i> (A. Gray) Sch. Bip. coast microseris	Known from one historic record			2	A	CZ
<i>Mimulus cardinalis</i> Douglas ex Benth. scarlet monkeyflower	Restricted to one river drainage in Lane Co; forest management practices upstream				B	WV, WC
<i>Mimulus pulsiferae</i> A. Gray candelabrum monkeyflower	Forest management				C	WC
<i>Mimulus tricolor</i> Hartw. tricolored monkeyflower	Expected to occur in Lane Co., but no Co. record			2	C	WV
<i>Minuartia cismontana</i> Meinke & Zika cismontane sandwort	Rare; two sites in Lane Co., one historic, two recent				B	WV, WC
<i>Minuartia obtusiloba</i> (Rydb.) House alpine sandwort	One high elevation site in Lane Co.; no threats				C	HC

Scientific Name Common Name	Threat/Comment	Federal Status	State Status	ORBIC List	EmChap List	Ecoregion
<i>Monardella odoratissima</i> Benth. mountain monardella	Infrequent in Lane Co.; need more sites				C	WC
<i>Moneses uniflora</i> (L.) A. Gray single delight; woodnymph	Coast forest management; few recent records				C	CZ, CR
<i>Montia chamissoi</i> (Ledeb. ex Spreng.) Greene water montia	Two sites in Lane Co.; find more				C	WC
<i>Montia dichotoma</i> (Nutt.) Howell dwarf montia	Land use issues; need more sites				B	WV
<i>Montia howellii</i> S. Watson Howell's montia	Development; road and parking lot maintenance		C	4	A	WV, WC
<i>Najas guadalupensis</i> (Spreng.) Magnus var. <i>guadalupensis</i> common waternymph	Expected to occur in Lane Co., but no current record			3	C	WC
<i>Navarretia capilaris</i> (Kellogg) Kuntze (= <i>Gilia capilaris</i> Kellogg) smooth leaved gilia	Rare; three sites in Lane Co.; need documentation				B	WC
<i>Navarretia leucocephala</i> Benth. ssp. <i>leucocephala</i> white flowered navarretia	Known from one historic record			4	C	WV
<i>Navarretia sinistra</i> (M.E. Jones) L.A. Johnson ssp. <i>sinistra</i> (= <i>Gilia sinistra</i> M.E. Jones ssp. <i>sinistra</i>) Alva Day's gilia	Two sites; Willamette Valley conservation target plant			4	C	WV,
<i>Navarretia willamettensis</i> S.C. Spencer Willamette navarretia	Recently described; one historic record			1	A	WV
<i>Noccaea fendleri</i> (A. Gray) Holub ssp. <i>glauca</i> (A. Nelson) Al-Shebaz & M. Koch (= <i>Thlaspi montanum</i> L. var. <i>montanum</i>) alpine pennycress	Known from two adjacent sites in Lane Co.				C	WC
<i>Nuttallanthus texanus</i> (Scheele) D.A. Sutton (= <i>Linaria canadensis</i> (L.) Dum. Cours. var. <i>texana</i> (Scheele) Pennell) large flowered toadflax; Texas linaria	Sensitive habitat; wetland management				B	WV, WC
<i>Olsynium douglasii</i> (A. Dietr.) E.P. Bicknell var. <i>douglasii</i> grass widows	Park management; recreational disturbance				B	WV
<i>Ophioglossum pusillum</i> Raf. northern adder's tongue	Sensitive habitat			2	A	CZ, WC
<i>Orobanche californica</i> Cham. & Schtdl. ssp. <i>californica</i> California broomrape	West Eugene wetland management			3	B	WV
<i>Orobanche californica</i> Cham. & Schtdl. ssp. <i>grayana</i> (Beck) Heckard Gray's broomrape	One historic site in Lane Co.; need to relocate			3	C	WV
<i>Orobanche pinorum</i> Geyer pine broomrape	Logging; park management				B	WV, WC

<i>Packera bolanderi</i> (A. Gray) W.A. Weber & Á. Löve var. <i>bolanderi</i> (= <i>Senecio bolanderi</i> A. Gray var. <i>bolanderi</i>) Bolander's groundsel	Two sites in Lane Co.; need more information and more sites				C	WC
<i>Packera macounii</i> (Greene) W.A. Weber & Á. Löve (= <i>Senecio macounii</i> Greene) Puget groundsel	Two historic records; hasn't been seen in Lane Co. for 75 years.				C	WV
<i>Packera pseudaurea</i> (Rydb.) W.A. Weber & Á. Löve var. <i>pseudaurea</i> (= <i>Senecio pseudaureus</i> Rydb. var. <i>pseudaureus</i>) streambank butterweed, falsegold groundsel	Historic record; need to relocate				C	WC
<i>Parnassia fimbriata</i> K.D. Koenig fringed grass-of-Parnassus	Rare in Lane Co.; need more sites				C	WC
<i>Pedicularis contorta</i> Benth. coiled pedicularis	Few sites; find more				C	WC
<i>Pellaea andromedifolia</i> (Kaulf.) Fée coffee fern	Known from one historic site; sought by fern collectors			2	A	WV
<i>Pellaea brachyptera</i> (T. Moore) Baker Sierra cliff brake	Four sites in Lane Co. motorcycle activity in one				B	WC
<i>Penstemon procerus</i> Douglas ex Graham var. <i>procerus</i> pincushion penstemon	Known only from historic records in Lane Co.; need to relocate				C	HC
<i>Penstemon rydbergii</i> A. Nelson var. <i>oreocharis</i> (Greene) N.H. Holmgren Rydberg's penstemon	One historic site in Lane Co.; need to relocate				C	WC
<i>Persicaria punctata</i> (Elliott) Small (= <i>Polygonum punctatum</i> Elliott) dotted knotweed	Water weed competition			3	C	CZ, WV
<i>Phacelia verna</i> Howell spring phacelia	Few sites; north end of range			4	C	WC
<i>Phoenicaulis cheiranthoides</i> Nutt. daggerpod	No recent record; relocate and document				C	WC
<i>Piperia candida</i> Rand. Morgan & Ackerman white flowered piperia	Rare in Lane Co.; need more sites			3	C	WC
<i>Piperia elegans</i> (Lindl.) Rydb. ssp. <i>elegans</i> elegant rein orchid	Two forms: coastal and inland; need more site reports				C	CZ, WV
<i>Piperia elongata</i> Rydb. green flowered piperia	Recently located in Lane Co.; need more sites			3	C	WC
<i>Piperia transversa</i> Suksd. Suksdorf's piperia	One historic, three recent sites; need more sites				C	WV, WC
<i>Pityopus californicus</i> (Eastw.) H.F. Copel. pinefoot	Old growth/mature forest dependent; logging				B	CZ, WC
<i>Plagiobothrys nothofulvus</i> A. Gray rusty popcorn flower	Willamette Valley conservation target plant				C	WV
<i>Platanthera sparsiflora</i> (S. Watson) Schltr. sparse flowered bog orchid	Additional sites have been found recently in Lane Co.				C	WC

Scientific Name Common Name	Threat/Comment	Federal Status	State Status	ORBIC List	EmChap List	Ecoregion
<i>Pleuricospora fimbriolata</i> A. Gray fringed pinesap	Forest management				C	WC
<i>Poa chambersii</i> Soreng Chambers' bluegrass	Few sites; old collections recently annotated to <i>Poa chambersii</i>			3	C	WC
<i>Poa howellii</i> Vasey & Scribn. Howell's bluegrass	Willamette Valley conservation target plant; known from two historic records				C	WV, WC
<i>Poa stenantha</i> Trin. var. <i>stenantha</i> narrow flower bluegrass	Rare in Lane Co.; one site			3	C	WC
<i>Poa suksdorfii</i> (Beal) Vasey ex Piper Suksdorf's bluegrass	Known only from historic records			3	C	HC
<i>Poa unilateralis</i> Scribn. (ssp. yet to be determined) ocean bluff bluegrass	Expected to occur in Lane Co., but no county record.	SOC		2	C	CZ
<i>Polemonium occidentale</i> Greene western polemonium	Need documentation				C	HC
<i>Polemonium pulcherrimum</i> Hook. ssp. <i>pulcherrimum</i> skunk leaved polemonium, showy polemonium	High elevation species; no threats				C	HC
<i>Polygonum californicum</i> Meisn. California knotweed	Look for more sites.				C	WC
<i>Polygonum majus</i> (Meisn. ex Small) Piper wiry knotweed	Two sites in Lane Co.; need to find more				C	WC
<i>Polygonum polygaloides</i> Wall. ex Meisn. ssp. <i>confertiflorum</i> (Nutt. ex Piper) J.C. Hickman (= <i>Polygonum confertiflorum</i> Nutt.) close flowered knotweed	Willamette Valley conservation target plant				C	WV
<i>Polygonum sawatchense</i> Small (= <i>Polygonum douglasii</i> (Greene) A. Muray ssp. <i>johnstonii</i> (Munz) J.C. Hickman) Sawatch knotweed	Two historic Lane Co. records				C	WC
<i>Polypodium calirhiza</i> S.A. Whitmore & A.R. Sm. nested polypody; hotroot polypody	Habitat disturbance; occurs in road cuts			3	C	CZ
<i>Polystichum californicum</i> (D.C. Eaton) Diels California sword fern	Rare; forest management			2	A	WC
<i>Polystichum kruckebergii</i> W.H. Wagner Kruckeberg's sword fern	Rare; no known threats			4	C	HC
<i>Polystichum scopulinum</i> (D.C. Eaton) Maxon rock sword fern	Need documentation				C	HC
<i>Potamogeton praelongus</i> Wulfen whitestem pondweed	One historic site in Lane Co.; need more sites			3	C	CZ
<i>Potamogeton pusillus</i> L. ssp. <i>tenuissimus</i> (Mert. & Koch) R.R. Haynes & Hellq. slender pondweed	Two sites in Lane Co., need more sites			3	C	CZ, WC
<i>Potamogeton robbinsii</i> Oakes Robbins' pondweed	Rare; water weed competition			3	B	CZ

Scientific Name Common Name	Threat/Comment	Federal Status	State Status	ORBIC List	EmChap List	Ecoregion
<i>Potentilla villosa</i> Pall. ex Pursh villous cinquefoil	Only one extant site in Oregon			2	A	HC
<i>Prunus subcordata</i> Benth. Klamath plum; western plum	Willamette Valley conservation target plant; need more information				C	WV, WC
<i>Psilocarphus tenellus</i> Nutt. var. <i>tenellus</i> slender woolyheads	Willamette Valley conservation target plant; need more sites				C	WV
<i>Puccinellia pumila</i> (Vasey) Hitchc. dwarf alkaligrass	Sensitive habitat; need documentation			3	C	CZ
<i>Pyrola minor</i> L. lesser wintergreen	Known from one historic record				C	WC
<i>Pyrrocoma racemosa</i> (Nutt.) Torr. & A. Gray var. <i>racemosa</i> racemed goldenweed	Habitat loss; W Eugene wetland management			2	A	WV
<i>Quercus garryana</i> Douglas ex Hook. var. <i>breweri</i> (Engelm.) Jeps. Brewer's oak	Rare; need more sites				C	WC
<i>Ranunculus alismifolius</i> Geyer var. <i>alismellus</i> A. Gray dwarf plantain leaved buttercup	Known only from historic records; need to relocate				C	WC
<i>Ranunculus eschscholtzii</i> Schltld. var. <i>suksdorfii</i> (A. Gray) L.D. Benson Suksdorf's buttercup	Two adjacent sites in Lane Co.; need documentation and more sites				C	HC
<i>Ranunculus lobbii</i> (Hiern) A. Gray Lobb's buttercup	Rare; agency waterfowl managed site				B	WV
<i>Rhynchospora alba</i> (L.) Vahl white beakrush	Known only from historic records			2	A	CZ
<i>Ribes divaricatum</i> Douglas var. <i>pubiflorum</i> Koehne small flowered straggly gooseberry	Known from one historic record			2	A	WC
<i>Ribes laxiflorum</i> Pursh coast trailing currant	Known from three sites in Lane Co.: historic and recent; need more sites			3	C	CR
<i>Ribes menziesii</i> Pursh coast prickly fruited gooseberry	Expected to occur in Lane Co., but no current record				C	CZ, CR
<i>Ribes triste</i> Pall. American red currant	One site in Lane Co.; need documentation				C	WC
<i>Romanzoffia thompsonii</i> V. Marttala Thompson's mistmaidens	Narrow habitat; many sites, all populations small			1	A	WV, WC
<i>Rosa nutkana</i> C. Presl var. <i>hispida</i> Fernald bristly Nootka rose	Known from only one historic site in Lane Co.; look for it				C	WV
<i>Rosa spithamea</i> S. Watson ground rose	Rare in Lane Co.; north end of range				C	WC
<i>Rotala ramosior</i> (L.) Koehne tooth cup	One observed occurrence in Lane Co., need documentation; Willamette Valley conservation target plant			2	A	WV

Scientific Name Common Name	Threat/Comment	Federal Status	State Status	ORBIC List	EmChap List	Ecoregion
<i>Rubus pedatus</i> Sm. strawberry dwarf bramble, five leaved dwarf bramble	Few sites in Lane Co.; need more sites				C	WC
<i>Ruppia maritima</i> L. ditch grass	Known only from historic records; last reported in 1977				C	CZ
<i>Sagittaria cuneata</i> E. Sheld. arumleaf arrowhead	Few sites in Lane Co.; need more sites				C	WC, HC
<i>Sagittaria latifolia</i> Willd. wapato; arrowhead	Reservoir and roadside management; boat recreation				B	CZ, WV WC
<i>Salix lemmonii</i> Bebb. Lemmon's willow	Willamette Valley conservation target plant				C	WV
<i>Salix ligulifolia</i> (C.R. Ball) C.R. Ball ex C.K. Schneid. strapleaf willow	One site in Lane Co.; need more sites			3	C	HC
<i>Salix prolixa</i> Andersson Mackenzie's willow	Willamette Valley conservation target plant				C	WV
<i>Sanicula arctopoides</i> Hook. & Arn. footsteps-of-spring	Known from one historic site; ORV and recreation threats; need to relocate; may be extirpated in Lane Co.				C	CZ
<i>Sanguisorba officinalis</i> L. great burnet	Expected to occur in Lane Co., but no county record				C	CZ, WC
<i>Saxifraga cespitosa</i> L. tufted alpine saxifrage	Rare in Lane Co., look for more sites				C	WC
<i>Scheuchzeria palustris</i> L. ssp. <i>americana</i> (Fernald) Hultén American scheuchzeria	Rare; sensitive habitat			2	A	WC
<i>Schoenoplectus subterminalis</i> (Torr.) Soják (= <i>Scirpus subterminalis</i> Torr.) water bulrush	Water weed competition			2	A	CZ
<i>Scirpus pallidus</i> (Britton) Fernald pale bulrush	One site in Lane Co.; roadside maintenance			3	C	WV
<i>Scirpus pendulus</i> Muhl. drooping bulrush	Two sites in Lane Co.; roadside maintenance			2	A	WV
<i>Scrophularia lanceolata</i> Pursh lanceleaf figwort	Urban development; exotic invasives competition				B	WV
<i>Scutellaria lateriflora</i> L. mad dog skullcap	Urban pressure; natural area protection; water management				B	WV
<i>Senecio integerrimus</i> Nutt. var. <i>ochroleucus</i> (A. Gray) Cronquist white western groundsel	Historic collections from two adjacent sites in Lane Co.				C	WC
<i>Sericocarpus oregonensis</i> Nutt. (= <i>Aster</i> <i>oregonensis</i> (Nutt.) Cronquist) Oregon white topped aster	Woody species encroachment				B	WV, WC
<i>Sericocarpus rigidus</i> Lindl. (= <i>Aster curtus</i> Cronquist) rigid white topped aster	Loss of habitat; wetland management	SOC	LT	1	A	WV
